

FLOOR AMENDMENT NO. _____

BY:

Phil King

Amend C.S.H.B. No. 11 (house committee report) on page 3,
between lines 9 and 10, by inserting the following appropriately
lettered subsection:

() Notwithstanding any other provision of this subtitle, the
commission shall allow a transmission and distribution utility to
design and operate a load management program for non-residential
customers to be used during an extreme weather emergency or times
of constraint in its service territory, in addition to and separate
from any load management program operated as part of its portfolio
of energy efficiency programs. A transmission and distribution
utility implementing a load management program under this
subsection shall be permitted to recover the reasonable and
necessary costs of the load management program under Chapter 36.
A load management program operated under this subsection is not
considered a competitive service.
